

November 28, 2018

**Addendum No. 2**

**TO:** PLAN HOLDERS

**SUBJECT:** Tillamook County Parks Department  
Barview Jetty Campground Community Shelter Project

Bids to be opened and read December 6, 2018

The following changes, additions and deletions to the Project Bid Documents dated November 7, 2018 hereby become part of the Contract Documents. The original documents remain in full force, except as specifically modified by this Addendum.

Contractor shall notify all subcontractors affected by this Addendum.

The following additions, deletions and/or clarifications are a result from questions at the pre-bid meeting non-mandatory meeting on November 27, 2018.

1. The power will be coming from the power pole located near the parking area at the SW corner of the building.
2. The size of the sewer line will be 6" and the County Parks will have it brought to ground level and terminated near the SE corner of building location.
3. All Exterior Trench Drains have been eliminated
4. County Parks to provide & install exterior French Drains
5. Yes, gutters are to be included.
6. Rain Drains will be going to a drywell – drywell to be provided by County Parks and located to West of building.
7. Specifications and Clarifications sheets (shown on pages 16 through 21 on bid documents) list the most current specifications and clarifications for project.

End of Addendum
